### **Affiliation Status**

Affiliated to CBSE

Affiliation No.: 530014

Period of Affiliation: 2023-2028

It is with great pleasure and pride that we present to you the Annual Report of S.D.A.V. for the academic session 2025–26. This year has been marked by numerous achievements, growth, and milestones that reflect the collective dedication and hard work of our entire school community. Our academic session always begins with orientation programs for parents.

### **Infrastructure and Facilities**

Our school boasts state-of-the-art infrastructure facilities, including spacious classrooms, laboratories, libraries, sports facilities, a gym, and a well-equipped computer lab to provide a conducive learning environment for our students. New facilities such as a Robotic Lab and enhanced sports amenities have been added to enrich the overall learning experience.

S.D.A.V. has invested in a modern gym equipped with a range of exercise machines, free weights, and dedicated spaces for aerobic and strength-training activities. This facility is accessible to all students, promoting regular physical activity and the cultivation of healthy habits.

### **Academic Calendar**

The academic calendar for the year comprised regular classes, examinations, cultural events, and educational trips aimed at holistic development.

### **Faculty Details**

Our team of dedicated educators holds relevant qualifications and undergoes regular training to enhance teaching methodologies. Faculty members have been instrumental in providing quality education and guidance to students. To ensure continuous professional development, the school implemented competency-based teacher training programs throughout the academic year. This approach fosters a culture of lifelong learning among staff and ensures our commitment to educational excellence.

### **Academic Excellence**

Throughout the academic year 2025–26, S.D.A.V. continued to uphold its reputation for academic excellence. Students excelled in various academic competitions, securing top positions in district-level examinations and Olympiads. The average performance of students showed consistent improvement across all grade levels.

### **Environmental Education**

We are committed to environmental education and undertook various initiatives such as tree plantation drives, waste-management programs, and eco-awareness campaigns through the Eco Club. Awareness was also created through skits presented by the English Club and Hindi Club.

As part of our commitment to environmental stewardship and sustainability, S.D.A.V. implemented initiatives to reduce our carbon footprint and promote eco-friendly practices. The successful integration of composting, solar energy, and water-harvesting systems stands as a testament to our sustainability efforts.

Recognizing the importance of waste reduction and organic recycling, a composting pit was established on campus. This initiative enables responsible management of organic waste, diverting nutrients from landfills and converting them into nutrient-rich compost.

By utilizing clean and sustainable energy from the sun, we continue to reduce environmental impact and promote greener practices for future generations.

### **Sports Achievements**

Our students showcased exceptional talent in sports, winning medals and trophies in intra-school and inter-school competitions. Athletes demonstrated outstanding performance, discipline, and sportsmanship across multiple disciplines.

### **Innovations**

The school encouraged innovation through science exhibitions, robotics competitions, and entrepreneurial projects, fostering creativity and critical thinking among students. Cultural events and performances highlighted the diverse talents of students and strengthened the school's vibrant community spirit.

### **Innovative Teaching Methods**

Innovation remains central to our educational approach. This year, we implemented Smart Classes, competency-based learning, project-based learning, and other modern pedagogical tools to enhance creativity, critical thinking, and problem-solving skills.

### **Extracurricular Activities**

The school actively organized and participated in various extracurricular activities throughout the year. Students enthusiastically took part in debates, quizzes, art, dance, music, and inter-school competitions, demonstrating all-round development.

### **Successfully Conducted SAFAL Examination**

We also take pride in the smooth and successful conduct of the SAFAL (Structured Assessment for Analyzing Learning) Examination as per CBSE guidelines. The examination was administered in a well-organized, transparent, and student-friendly manner, ensuring strict adherence to all prescribed protocols.

The SAFAL assessment provided valuable insights into students' core competencies, critical thinking, and conceptual understanding, enabling teachers to further strengthen instructional strategies and improve learning outcomes. The entire process was carried out efficiently, reflecting the school's commitment to quality assessment and continuous academic improvement.

### **SQAAF Framework**

Under the framework of SQAAF (School Quality Assessment and Accreditation Framework), we continued our relentless pursuit of academic excellence. Students displayed commendable performance in scholastic and co-scholastic domains, highlighting their comprehensive growth.

### **Overall Results**

We are pleased to report a commendable pass percentage in board examinations, reflecting our sustained commitment to academic excellence.

### **PTA Activities**

The Parent-Teacher Association actively participated in school events, fund-raising initiatives, and parent-teacher meetings, fostering strong collaboration between home and school.

## **Scholarship Program**

Significant strides were taken to promote educational equity through the Smt. Shashi Prabha Scholarship for underprivileged girl students. This initiative supports economically disadvantaged students by covering educational expenses, ensuring uninterrupted learning. The scholarship reflects our commitment to inclusivity, diversity, and equal opportunities in education.

## **Important SMC Decisions**

The School Management Committee (SMC) played a pivotal role in guiding the strategic direction of S.D.A.V. Key decisions were taken regarding curriculum enhancement, infrastructure development, academic standards, student welfare, and faculty training.

## **Student Enrolment**

Our school currently accommodates 1097 students across various grade levels.

## **Social Responsibility**

As a responsible educational institution, we actively promoted social responsibility among students through community service initiatives, instilling values of compassion, empathy, and civic duty.

Through the dedication and generosity of our respected President, Mrs. Asha Sharma Ma'am, and staff members, we were able to collect and distribute essential items to individuals and families facing economic hardship. This initiative reinforced the spirit of compassion and community service.

## **Acknowledgement**

We extend our heartfelt gratitude to all parents and guardians for their unwavering support and involvement in their children's academic journey. Your cooperation plays a crucial role in holistic student development.

## **Challenges and Opportunities**

While celebrating our achievements, we acknowledge the challenges in ensuring every student reaches their full potential. We remain committed to continuous improvement and growth for both students and staff.

## **Conclusion**

As we conclude the academic year 2025–26, we express our sincere gratitude to all members of the S.D.A.V. family for their dedication and hard work. Together, we look forward to another successful year filled with learning, growth, and meaningful experiences.

Thank you for your continued trust and partnership in shaping future leaders.
